Written Testimony

Aloha, I am a historic property owner in the little historic neighborhood at the end of Kalakaua. Our neighborhood is often part of our Waikiki visitors experience. Not a day goes by that I don't have a friendly exchange with the numerous tourists who are taking a walk from Waikiki to Diamond Head through our neighborhood. Some have happened upon us by accident, others are following a historic walking tour they've found on line. Additionally, there are organized tours on Segways that come through regularly. We understand our responsibilities as Historic Home owners proudly post our historic residence signs and welcome our visitors. Older homes require a financial commitment to maintain. We who have gone on the registry are committed to keeping them, We all know these kind of historic homes are getting knocked down all the time. Its a shame! This Historic Neighborhood and this Visitor experience are far more valuable then the meager revenue this proposal will produce.
